

App. No. 09/784,246
Amendment Dated January 6, 2005
Reply to Office Action of October 29, 2004

Amendments to the Specification:

Starting on page 6, line 15, please amend the paragraph as follows:

In this embodiment, the alternative resources 320 include non-localized resources in the various supported languages, which can be called by the application 340. Non-localized resources include UI related information which does not need to be changed from mobile device to mobile device, and thus can be similar among many mobile devices. While at the factory, the alternative resources [340] 320 can include language libraries for the languages in all of the countries that the mobile electronic device 100 may be shipped. This system can advantageously simplify the manufacturing process, thereby reducing manufacturing costs.
